

Polycarbonate Plastic Cleaner

Anti-Static Polycarbonate Plastic Cleaner, Protectant, & Polish

PART# EX0098

DESCRIPTION

Polycarbonate Plastic Cleaner is an anti-static polycarbonate and window cleaner that protects and polishes.

FEATURES AND BENEFITS

Produces a microscopic, high luster, soil retarding and water repellent finish to polycarbonate plastic leaving a surface that is lustrous. Dries with no smears, no smudges and no oily residue. Can be applied in seconds, in three easy steps.

DIRECTIONS FOR USE

Shake can well. Spray on plastic windows or glass. Wipe off and buff using a soft, clean lint free, cotton towel. Do not use paper towels. For heavy accumulation of bugs, spray on a liberal amount of the cleaner allowing a few minutes for the dirt to soak and soften up before wiping clean. Make sure towels are clean when wiping.

SIZE / AVAILABILITY

20 oz. Aerosol

Net Weight 19 oz.

12 per case
